

Experimental Techniques of Optics (PHYC 477L/476L/302L) Spring 2017

Agreement of Understanding

I,, hereby agree that I have read the OSHA Laser and Lab Safety Manual (as linked on the course homepage), and understand the risks of working with lasers used in UNM Optics Labs. I will therefore take all the necessary precautions and laboratory safety measures in order to avoid any accidental harming of myself and my fellow students.
